

12-port ODF terminal box manufacturer

Article Overview

Shenzhen KOC Communication, OTRANS, Opelink, and various Alibaba suppliers offer 12-port ODF terminal boxes for fiber optic networks.

Leading Manufacturers and Suppliers

1. Shenzhen KOC Communication Co., Ltd. (KOC) KOC specializes in fiber optic communication products, including 12-port pull-out type ODF terminal boxes. Their ODFs are designed for 19-inch standard cabinets, made from cold-rolled sheet material, and support fiber fusion, storage, and cable management in one unit. KOC provides both passive and active fiber products, with global distribution in Europe, America, the Middle East, and South Asia. They emphasize ISO9001:2000 quality management, competitive pricing, and short delivery lead times . 2. OTRANS OTRANS manufactures a wide range of fiber optic distribution boxes and ODF cabinets, including 1-24 core FDB boxes suitable for indoor and outdoor FTTH deployments. Their products are IP65 rated, durable, and designed for easy installation. OTRANS offers wholesale options and a variety of models to meet different network requirements . 3. Opelink Opelink provides fiber optic enclosures, distribution boxes, and ODF frames for central office, data center, and FTTH applications. Their 12-port ODFs are part of a broader portfolio designed to protect fiber splices, organize cable connections, and provide accessible termination points. Opelink products are ISO 9001:2015 certified and used in over 50 countries . 4. Alibaba Suppliers Alibaba hosts a wide selection of 12-core terminal box ODFs, with over 800 products available. These suppliers offer various options for wired LAN, wireless LAN, and Wi-Fi networks, providing flexibility in design, capacity, and pricing. This platform is useful for bulk procurement and comparing multiple manufacturers . 5. Accio Accio lists 12-port O...
