

Affordable secondary distribution boxes in Mexico

Article Overview

You can find affordable, durable secondary distribution boxes and storage containers across Mexico from suppliers like P&T Containers, America Box Solutions, Flat Pack Storage Container, and Conex Box.

Key Suppliers and Options

1. P&T Containers P&T Containers offers a wide range of new and used shipping containers in sizes from 20ft to 53ft, suitable for storage, transport, or modular workspace applications. Their containers are made from durable, weather-resistant steel and are designed for long-term use. They provide affordable pricing, nationwide delivery, and 24/7 customer support, making them a reliable option for businesses and individuals across Mexico . 2. America Box Solutions This supplier provides standard, High Cube, open-top, flat rack, and refrigerated containers, as well as custom conversions for offices or workshops. They offer 20FT, 40FT, 45FT, and 53FT containers, both new and used, with a focus on durability, security, and affordability. Their team assists in selecting the right container for your needs and ensures fast delivery anywhere in Mexico . 3. Flat Pack Storage Container Flat Pack specializes in cost-efficient, ISO-standard storage containers suitable for construction, logistics, warehouses, and remote sites. Their containers are reinforced, corrosion-resistant, and customizable with insulation, shelving, ventilation, or reinforced doors. They are ideal for both short-term storage and permanent modular setups, offering excellent value for money . 4. Conex Box Conex Box provides high-quality containers in Mexico City and surrounding areas, including 20ft and 40ft units. They offer modification se...
