

Aluminum Cable Tray Manufacturer

Article Overview

Leading aluminum cable tray manufacturers provide lightweight, corrosion-resistant, and durable solutions for industrial and commercial cable management.

Key Manufacturers and Suppliers

- EAE Electric – Offers aluminum cable trays and ladders with high load capacity, lightweight design, and superior corrosion resistance, suitable for indoor and outdoor applications. Their products prevent cable overheating and are eco-friendly, making them ideal for industrial facilities and commercial buildings .
- MP Husky – Provides CSA-certified, UL-listed aluminum cable trays that are lighter than steel, simplifying installation while maintaining strength and durability .
- ABB – Manufactures a wide range of cable tray systems, including perforated trays, cable ladders, channel trays, and strut metal framing. ABB operates production facilities in Canada and Saudi Arabia, ensuring local support and rapid project response .
- Atkore – Supplies solid bottom and ventilated cable tray systems designed to securely hold and protect cables across various applications .
- Global Suppliers via Accio – A comprehensive guide lists top aluminum cable tray manufacturers worldwide, highlighting competitive advantages, diverse product offerings, and industry standards for ladder, perforated, and solid-bottom trays .

Advantages of Aluminum Cable Trays

- **Lightweight:** Approximately half the weight of steel, reducing structural load and easing installation .
- **Corrosion Resistance:** Ideal for harsh environments, including outdoor and marine...
