

Armenian Explosion-proof Lighting Distribution Box Manufacturer

Article Overview

Armenia has suppliers and manufacturers offering explosion-proof lighting distribution boxes, with products meeting international safety standards such as IEC, ATEX, and IECEx.

Local Suppliers in Armenia

Several Armenian companies specialize in explosion-proof lighting and distribution boxes, and you can find a list of 27 suppliers through B2B marketplaces, which allow direct contact with wholesalers and manufacturers for procurement and technical inquiries . These suppliers typically offer products suitable for hazardous environments, including industrial, chemical, and mining applications.

International Manufacturers Serving Armenia

Warom Technology is a leading international manufacturer of explosion-proof electrical equipment, including lighting fixtures, distribution boxes, control equipment, and cable connectors . Their products are designed for use in hazardous zones (Zone 1, 2, 21, 22; Class I Division 2 Groups A, B, C, D) and comply with IEC, ATEX, and IECEx standards . Warom also provides technical support, assembly, and quality assurance services, making them a reliable option for Armenian clients seeking certified explosion-proof solutions.
