

Chilean electrical distribution box manufacturer direct sales

Article Overview

Several Chilean companies provide electrical distribution boxes and related equipment with direct sales options, including H. Briones Sistemas Eléctricos, Voltta Ingeniería Eléctrica, and Edaltec Group.

Key Chilean Manufacturers and Suppliers

- **H. Briones Sistemas Eléctricos (HBSE):** Offers high-quality electrical distribution solutions across Chile, including medium and low voltage protection equipment. They provide project-based services and direct sales for industrial and commercial clients .
- **Volta Ingeniería Eléctrica:** Specializes in robust electrical distribution systems, particularly for the mining sector. They emphasize safety, efficiency, and direct installation services, making them a reliable source for direct procurement .
- **Edaltec Group:** Provides innovative electrical solutions, including potential and current transformers essential for distribution networks. They cater to Latin American markets and offer direct sales for customized equipment .
- **Iconic Electricidad:** Focuses on electrical engineering projects, including medium and low voltage installations, security systems, and maintenance services. They can supply distribution boxes directly to clients while ensuring compliance with safety standards .
- **Cyberall Group:** While primarily a distributor, Cyberall Group supplies electrical distribution and automation equipment from global manufacturers like Schneider Electric, Eaton, Siemens, ABB, and Rockwell Automation. They offer door-to-door delivery across Chile and direct sales to companies in Santiago, Antofagasta, Viña d...
