

Direct sales from Mexican fiber optic distribution box manufacturer

Article Overview

Several Mexican manufacturers and distributors offer fiber optic distribution boxes directly, with OEM/ODM support and international certifications.

Key Manufacturers and Distributors

- FibrMarket – A specialized Mexican distributor of fiber optic products, including fiber optic cables, connectors, and fusion splicers. They provide tailored solutions, competitive pricing, and over 20 years of experience in the Mexican market, making them a reliable source for direct procurement .
- MaxFiber® – Manufacturer and distributor of fiber optic equipment and materials in Mexico. They emphasize high-quality telecommunications solutions, including fiber distribution boxes, and offer maintenance services for fusion and OTDR equipment .
- Fibramérica – While headquartered in Mexico, Fibramérica manufactures and distributes fiber optic infrastructure for telecom operators, ISPs, and utilities across the Americas. Their catalog includes FTTH termination boxes, splitters, couplers, adapters, and other fiber optic network components suitable for direct purchase .
- Gcabling – Offers a wide range of fiber optic terminal and distribution boxes with IP65-IP68 waterproof ratings, SGS-certified materials, and a 15-year warranty. They support OEM/ODM, provide technical support, and maintain spot inventory for fast shipping, making them suitable for direct sales inquiries .

Considerations for Direct Procurement

- Certifications and Standards: Ensure the manufacturer complies with RoHS, REAC...

Article Content

Outdoor Fiber Optic Distribution Box Manufacturer
