

Dubai Positive Pressure Distribution Box Manufacturer Direct Sales

Article Overview

Al Nakhi Power and Maximator GmbH UAE are key providers of electrical and high-pressure distribution solutions in Dubai, offering direct sales and customized services.

Al Nakhi Power

Al Nakhi Power Transmission Equipment Trading, established in 1996 in Dubai, is a leading supplier of electrical power distribution products, including LV and MV switchgears, transformers, bus ducts, and industrial control systems . They provide direct sales and turnkey solutions for electrical distribution, making them a reliable source for Positive Pressure Distribution Boxes or similar equipment. Their services include consultation, installation, and after-sales support, ensuring compliance with industrial standards and customer requirements.

Maximator GmbH UAE

Maximator GmbH, with a branch in Abu Dhabi since 2008, specializes in high-pressure and high-technology equipment for industrial applications, including oil & gas, chemical, and electrical sectors . They offer unit design, assembly, testing, and service locally, with ISO 9001-2015 certification. Maximator's expertise in pressure systems and hydraulic units makes them suitable for supplying Positive Pressure Distribution Boxes or custom high-pressure distribution solutions. They provide direct sales and technical support across the Middle East....
