

East Asia Vertical Shaft Cable Tray Prices

Article Overview

Vertical shaft cable trays in East Asia are available from approximately \$0.95 per unit, with prices varying based on material, size, and customization options.

Price Overview

Vertical shaft cable trays in East Asia are offered at low starting prices around \$0.95 per unit for standard models, particularly through platforms like Alibaba, which provide customizable options for industrial and solar cable management applications . Prices can increase depending on material type (e.g., stainless steel, galvanized steel), dimensions, and additional features such as corrosion resistance or seismic support .

Supplier Options

- Shandong Bolt Electrical Equipment Co., Ltd. provides a wide range of vertical shaft cable trays, including detailed product categories, models, and price quotations, catering to both domestic and international clients .
- Made-in-China suppliers offer vertical stainless steel cable trays suitable for elevated shaft cable management, with advantages like lightweight construction, high corrosion resistance, and easy installation. Delivery times typically range from 7 to 20 days after deposit for standard sizes .
- Alibaba hosts multiple manufacturers offering bulk orders with customizable specifications, making it suitable for large-scale industrial projects .
