

Electrical Distribution Box Manufacturer in Madagascar

Article Overview

Brilltech Engineers Pvt. Ltd and Schneider Electric (via local distributors like Compagnie Madecasse) are among the top choices for electrical distribution boxes in Madagascar.

Local Manufacturers

Brilltech Engineers Pvt. Ltd is recognized as a leading manufacturer of power distribution panels in Madagascar. They offer a wide range of products including LT distribution panels, cable bus ducts, power generators, and electrical transformers. Their products are known for high quality, sustainable performance, and customization options to meet specific project requirements. Brilltech emphasizes precision manufacturing and timely delivery, making them a trusted choice for both local and international clients. Machineequipments is another notable supplier and manufacturer in Madagascar, providing bulk power distribution equipment. They are known for reliable, world-class products and one-stop solutions for large-scale projects, making them suitable for industrial applications.

Global Brands Available Locally

Schneider Electric, distributed locally through Compagnie Madecasse, offers a range of electrical products including switches, circuit breakers, and distribution boxes. Their product lines such as LEONA, ASFORA, ODACE, and CEDAR are widely used in Madagascar for both residential and commercial projects. Schneider Electric is kno...
