

Exported complete sets of electrical distribution boxes

Article Overview

China, Vietnam, and India are the leading exporters of electrical distribution boxes, with global shipments growing steadily and key markets including Vietnam, Mexico, and Uzbekistan.

Global Export Overview

From June 2024 to May 2025, the world exported 2,647 shipments of electrical distribution boxes through 545 exporters to 529 buyers, reflecting a 33% growth compared to the previous year. China leads the market with 2,624 shipments, followed by Vietnam with 563 shipments and India with 472 shipments. Major import destinations include Vietnam, Mexico, and Uzbekistan. Exports can vary monthly, with May 2025 showing a decline of around 50% compared to May 2024, indicating seasonal or market fluctuations (Volza) .

Manufacturers of Complete Sets

Companies like Shenzhen Langyi Electromechanical Engineering Co., Ltd. specialize in producing complete sets of distribution boxes, including lighting distribution boxes, switch cabinets, and control cabinets. These manufacturers offer customizable production, quality management systems, and full-service support, including installation, maintenance, and energy efficiency consulting. Their products are designed for industrial, commercial, and residential applications, ensuring safety and compliance with international standards (Made-in-China)
