

Fireproof Metal Cable Tray Manufacturer

Article Overview

Top manufacturers of fire-resistant and fireproof metal cable trays include Meka Pro, Daken, and various verified industrial suppliers offering UL-certified and EN-standard compliant solutions.

Leading Manufacturers and Suppliers

Meka Pro specializes in fire-resistant cable support systems tested according to EN 1363-1 standards. Their products are designed to maintain electrical supply during fires, prevent structural collapse, and avoid toxic gas emissions. Meka Pro offers over 1,200 fire-tested standard products, ensuring compliance with international safety norms and installation guidelines . Daken Fire-Resistant Cable Tray (DFCT) integrates epoxy-based intumescent fire protection with internal metal reinforcement and ventilation grilles. This design enhances fire resistance, load-bearing capacity, and long-span stability while reducing heat accumulation and cable aging. Daken trays are suitable for high-risk environments, including nuclear power facilities, and have been validated under extreme temperature-rise fire scenarios . Accio provides a range of fire-stopping and fire-resistant cable trays with UL certification and customizable options. Their products cater to industrial, commercial, and critical infrastructure projects, emphasizing compliance with local fire codes and safety regulations . Alibaba Industrial Suppliers offer durable, powder-coated, perforated fireproof cable trays suitable for industrial and commercial applications. These trays are designed for optimal ventilation, corrosion resistance, and long-term reliability .

Key Features to Consider...

Article Content

Cable Tray and Reels | Wire and Cable Management

Fast installation with dependable support. Everything you need to build a cable management system, including Cablofil wire mesh

Fire Resistant Cable Tray

HFJD Cable Tray manufactures high-performance Fire Resistant Cable Trays designed for critical power distribution, fire alarm

Trunking and Cable Tray Protection

Trunking and Cable Tray Protection Fire prevention is a critical aspect of safeguarding both residential and commercial buildings.

FIRE RESISTANT PROOF CABLE TRAY, DIN STANDARD E90 ...

Cablofil fire resistant and fire proof cable trays are increasingly specified in the construction, power, oil, gas, petrochem, rail and

Cable Tray Systems

Our cable tray systems meet or exceed all the NEMA, UL, CTI, and CSA standards and are utilized in nearly every industry. All cable

Cable trays Cable trays

Cable Trays, Cable Ladders & Cable Trunking Systems – Professional Cable Management Solutions Discover a comprehensive

Basor Electric

Basor Electric, sensitive to the need to minimize the consequences of a fire, has subjected its cable trays to rigorous fire resistance

Fire Rated Cable Tray, Heavy-Duty Cable Tray Manufacturer

Fire Rated Cable Trays that are crafted from premium materials like stainless steel, galvanized steel, tempered glass, and fire

Cable Trays and Accesories

Cable Trays and Accessories are designed to meet most requeriments of cable and electrical wire installations and comply to local

Cable Tray

Cable Tray Cable trays are mechanical support systems that provide a rigid structural system for electrical cables, raceways, and

2026 Fireproof cable trays

China Fireproof cable trays, FRP Fiberglass Cable Tray Manufacturer GRP Wire Cable Ladder Tray, FRP Fiberglass Cable Tray

DAKEN Fire-Resistant Cable Tray (DFCT)

Upgrade infrastructure safety with the DAKEN DFCT. Featuring an epoxy intumescent coating and ventilated design to prevent

Cable Trays | EAE USA

These trays, meeting sector-specific needs with a robust structure, feature a covered design, interlocking splicing options, and wire

Fire Resistant Cable Tray

The cable tray is fabricated from premium steel and coated with a durable fire-resistant powder finish that provides enhanced
