

Huijue Fiber Optic Cable Usage Nationwide

Article Overview

Huijue fiber optic cables are widely used across China's telecom networks, data centers, and FTTH deployments, serving major operators like China Telecom and China Unicom.

Company Overview

Shanghai Huijue Network Communication Equipment Co., Ltd., established in 2001, is a leading manufacturer and solution provider for telecom and communication products, including fiber optic cables, optical components, and data center cabinets . The company operates large production bases in Shanghai and Jiangsu Province, equipped with multiple assembly workshops for fiber optic cables, patch cords, and outdoor cabinets . Huijue emphasizes R&D and quality control, holding international certifications such as ISO 14001, ISO 45001, CE, and RoHS .

Nationwide Adoption

Huijue's fiber optic products are extensively deployed in China's nationwide communications infrastructure. Their solutions are used in:

- Telecom networks: Huijue supplies fiber optic cables and components to major operators including China Telecom, China Unicom, and other regional telecom providers .
- Fiber-to-the-home (FTTH): The company produces optical fiber connectors, PLC sp...
