

Indonesian Multimode Logging Optical Cable Manufacturer

Article Overview

Key manufacturers of multimode fiber optic cables in Indonesia include CCSI, PT Voksel Electric Tbk, PT Multi Kabel Indah, and PT SUCACO Tbk, all offering high-quality fiber optic solutions for various applications.

Leading Manufacturers

CCSI (PT Communication Cable Systems Indonesia Tbk) is a prominent manufacturer of premium fiber optic cables, capable of producing indoor, outdoor, and submarine cables. Their factory in the Krakatau Industrial Estate, Cilegon, Banten, has a production capacity of 1,600,000 km per year. CCSI also provides optical cable accessories, microducts, and reinforced thermoplastic pipes, making them a versatile supplier for telecommunications, oil & gas, and utilities sectors . PT Voksel Electric Tbk specializes in optical fiber cables with a detailed production process including coloring, secondary coating, stranding, and sheathing. They focus on durability and performance, serving applications such as Fiber to the Home (FTTH) and Fiber to the X (FTTX) networks . PT Multi Kabel Indah (MKI) manufactures a comprehensive range of fiber optic cables for telecommunications and industrial applications. Known for innovation and high-quality standards, MKI is a trusted partner for network infrastructure projects across Indonesia . PT SUCACO Tbk is one of Indonesia's largest cable manufacturers, producing power cables, telecommunication cables, and enameled wires. With over 50 years of experience, they have a strong reputation for quality and reliability, supporting both national infrastructure and international projects ...
