

Industrial Explosion-Proof Distribution Boxes Supply

Article Overview

Explosion-proof distribution boxes for industrial applications are available from certified suppliers such as Atex Delvalle, Hexlonex, Intrinsically Safe Store, Inatex, and Extol International, all offering ATEX and IECEx compliant products.

Recommended Suppliers

1. Atex Delvalle Atex Delvalle offers a wide range of stainless steel (AISI 304L & 316L), aluminium, and polyester explosion-proof enclosures suitable for Zones 1, 2, 21, and 22. Their products include junction boxes, terminal boxes, and large control station enclosures, all ATEX 2014/34/UE, IECEx, and UL Nema 4x certified. They provide customizable sizes, accessories, and rapid delivery, including same-day shipping for in-stock items . 2. Hexlonex Hexlonex supplies durable explosion-proof distribution boxes and electrical enclosures certified for Zone 1 and Zone 2 hazardous areas. Their products are IECEx and ATEX certified, designed for industrial safety and compliance . 3. Intrinsically Safe Store This store specializes in ATEX and IECEx certified explosion-proof junction boxes. They offer pre-threaded entries for easy installation, durable materials like aluminum and stainless steel, and support for various conduit types. They provide expert guidance and fast delivery for industrial applications . 4. Inatex Inatex provides IECEx and ATEX certified distribution boxes for hazardous areas, including Zone 2 gas and Zone 21/22 dust environments. Their products are engineered for high reliability and industrial performance, suitable for oil & gas and other demanding sectors . 5. Extol International Extol International offers a comprehensive range of explosion-proof distribution boards and control panels. Mat...
