

Ireland Manufacturer of Large-Span Low-Voltage Cable Trays

Article Overview

Niedax CMS Ireland and Excel Electric Group are leading manufacturers of large-span low-voltage cable trays in Ireland, offering extensive product ranges and project support.

Key Manufacturers

Niedax CMS Ireland is part of the global Niedax Group, one of the largest cable tray manufacturers worldwide. They provide a wide range of cable management systems, including large-span low-voltage cable trays, and support electrical contractors across all four Irish provinces. Their services include expert advice from design to installation, ensuring efficient project delivery and value for money. Excel Electric Group, based in Bluebell, Dublin, specializes in the in-house manufacture of cable support systems tailored for the Irish and UK markets. Their product range includes extensive trunking systems and 25 mm cable trays, with over 5,000 articles, including customer-specific solutions. Excel Electric Group operates in both wholesale and project markets and has been part of the Niedax Group since 2019, collaborating closely with Niedax CMS Ireland. LTES Limited offers comprehensive services for low-voltage (LV) and medium-voltage (MV) systems, including cable route design, containment installation, and bespoke termination solutions. They focus on project-specific designs, ensuring safety, efficiency, and cost-effectiveness for industrial and commercial installations across Ireland and Europe.
