

Jordan OPGW Fittings Smart Export

Article Overview

Exporting OPGW fittings from Jordan involves sourcing high-quality fiber optic hardware and complying with Jordanian customs and trade regulations.

OPGW Fittings Overview

OPGW (Optical Ground Wire) fittings are essential for the installation and protection of fiber optic cables on power transmission lines. Key suppliers and solutions include:

- RIBE OPTOFIT®: Offers joint boxes, termination units, and hood joint installation sets for OPGW cables, covering diameters from 9 mm to 28.6 mm. Their products provide IP67 water and humidity protection, robust mechanical strength, and fast on-site installation with adapters and connectors for various cable types .
- AFL Global: Provides a full range of OPGW hardware and accessories, tailored to tower configurations, span lengths, cable types, and environmental conditions. AFL emphasizes durability and reliability in harsh environments .
- ZTT OPGW: Manufactures central-type and stranded stainless steel tube OPGW, aluminum-covered steel tube OPGW, and aluminum tube OPGW. These cables are widely used in power grids and telecommunication networks, with proven anti-corrosion and mechanical protection .

Export Procedures from Jordan

To export OPGW fittings from Jordan, businesses must follow Jordan Customs and trade portal procedures:

- Obtain an export license from the relevant authority (e.g., Ministry of Industry and...
