

Laos Long-Span Cable Tray Brands

Article Overview

Laos offers a range of long-span cable tray brands, including local suppliers and international manufacturers accessible through B2B platforms.

Local Suppliers and Manufacturers

Several Laos-based suppliers provide cable trays suitable for long-span applications. Platforms like Trademo list manufacturers and suppliers with shipment details, trade volumes, and product specifications, allowing buyers to identify reliable local sources for industrial and commercial projects. TradeKey Laos also features fiberglass and FRP cable trays, which are ideal for long-span installations due to their lightweight and corrosion-resistant properties.

International Brands Accessible in Laos

Global cable tray manufacturers with distribution or export options to Laos include:

- Atkore International (Cope Cable Tray): Offers heavy-duty ladder-type and perforated trays suitable for long spans in industrial and data center projects.
- Thomas & Betts (ABB Group): Known for durable, easy-to-install cable trays for commercial and industrial applications.
- Eaton B-Line: Provides a wide range of cable trays and support systems designed for complex installations.
- European Brands: Companies like Niedax Group (Germany), Spina Group (Italy), and Legrand Cablofil (France) offer high-quality, corrosion-resistant trays suitable for long-span and heavy-duty applications
