

Laying fiber optic cables in Botswana

Article Overview

Botswana has a growing fiber optic infrastructure supported by multiple suppliers, network cabling companies, and large-scale projects enhancing connectivity nationwide.

Suppliers and Network Cabling Companies

Botswana hosts a variety of companies specializing in fiber optic cables and network cabling solutions. Some of the top providers include:

- **Triton Network Technologies:** Offers installation of structured cabling including Cat5e, Cat6, Cat6a, and fiber optic systems for data centers, offices, schools, and public facilities. They provide high-quality Ethernet and fiber optic components along with network equipment like switches and firewalls .
- **CompuCare:** Supplies multimode duplex fiber optic patch cables, mid-couplers, and rack-mounted patch panels suitable for high-speed data transmission, including 10 Gigabit Ethernet networks .
- **Local Cabling and Fibre Optics Companies:** A directory of over 20 verified companies in Gaborone and Palapye provides consulting, installation, and IT support services for fiber optic networks .
- **Cable Manufacturers & Suppliers:** Botswana has local manufacturers and distributors that supply fiber optic and copper cabling for commercial and industrial applications .
