

Moroccan electrical distribution box agency brand

Article Overview

Key suppliers of electrical distribution boxes in Morocco include Ingelec, DISTRIGROUP ELECTRIC, and the national utility ONEE.

Ingelec

Ingelec is a Moroccan manufacturer specializing in electrical equipment, including modular flush-mounted boxes, waterproof junction boxes, and metallic cabinets for residential and commercial use. Their products, such as the CABINETS SECURIS A and B, are designed for internal domestic installations and provide protection for electrical circuits and connections (Ingelec) .

DISTRIGROUP ELECTRIC

DISTRIGROUP ELECTRIC supplies innovative electrical solutions for industrial, residential, and tertiary sectors in Morocco. They offer a range of electrical materials and distribution equipment aimed at improving energy efficiency and performance, making them a notable distributor for electrical boxes and related components (DISTRIGROUP ELECTRIC) .

ONEE (Office National de l'Électricité et de l'Eau potable)

The ONEE is Morocco's national electricity agency responsible for electricity distribution and infrastructure. While primarily a utility, ONEE oversees the deploym...
