

Oman Fiber Optic Fusion Splicer Equipment Manufacturer

Article Overview

Modern Peace Company and Oman Fiber Optic are key Omani providers of fiber optic fusion splicer equipment, offering sales, rentals, and training services.

Key Suppliers in Oman

Modern Peace Company (MPC), headquartered in Muscat, is a full-line distributor of fiber optic products, including fusion splicers, OTDRs, connectors, cables, and tool kits. MPC distributes equipment from major international brands such as Fitel, Huber Suhner, Anarco, and Multilink. They also offer pre-owned equipment rentals, custom fiber patch cord manufacturing, and technician training for fiber optic installation and splicing projects. Oman Fiber Optic is an Omani company focused on providing the latest fiber optic technology solutions. While primarily a training institute, they are involved in the manufacturing and deployment of fiber optic solutions and may collaborate with local and international suppliers for fusion splicer equipment.

International Equipment Available in Oman

Several international brands and models are accessible in Oman through distributors or e-commerce platforms:

- Komshine GX39: A compact, automatic fusion splicer with ultra-low splice loss (0.01dB), rapid 9-second splice time, and robust battery life for up to 350 splices per charge. It features a 3-in-1 fiber holder, high-resolution LCD, and rugged, water- an...
