

Omani cable tray price

Article Overview

Cable tray prices in Oman vary widely depending on material, type, size, and supplier, typically ranging from moderate to premium rates for industrial-grade systems.

Types of Cable Trays Available in Oman

Oman offers a wide range of cable trays suitable for different applications:

- Ladder Cable Trays: Prefabricated side rails connected by rungs, ideal for heavy-duty cables and maximum ventilation, commonly used in oil, gas, and power projects .
- Perforated Cable Trays: Solid base with perforations for ventilation, suitable for medium loads and general industrial or commercial use .
- Wire Mesh Cable Trays: Flexible and lightweight, often used in commercial and residential projects for easy routing and installation .
- Solid Bottom Cable Trays: Provide full protection against dust, moisture, and mechanical damage, suitable for sensitive installations .

Materials and Their Impact on Price

The material of the cable tray significantly affects cost:

- Steel (GI or Stainless Steel): Durable and suitable for heavy-duty applications; prices are higher for stainless steel due to corrosion resistance .
- Aluminum: Lightweight and corrosion-resistant, often used in industrial and comm...
