

Palestinian pigtail fiber manufacturer

Article Overview

Currently, there is no widely documented Palestinian-based manufacturer of fiber optic pigtails, but regional suppliers and directories can help identify potential sources.

Regional Suppliers and Options

- Angnet Technology produces a wide range of fiber optic pigtails, including single-mode and multimode fibers with connectors such as SC, LC, FC, ST, and MTRJ. They offer 12-fiber pigtails in lengths of 1–3 meters, with custom lengths available upon request . While Angnet is not based in Palestine, they provide international shipping and may serve Palestinian clients.
- Naficon (UAE) manufactures single- and multimode pigtails with standard connectors and color-coded bundles. They offer lengths of 1.5m and 3.5m, and 3, 6, or 12-fiber bundles . This supplier can be considered for regional procurement.

Palestinian Manufacturer Directories

- GetManufacturers.com – Palestine Directory lists verified factories and suppliers across multiple industries, including electronics and telecommunications . While no specific fiber optic pigtail manufacturer is highlighted, this directory allows buyers to search for local electronics or fiber optic component producers, contact them directly, and verify capabilities.

Recommendations

- Use local directories like GetManufacturers.com to identify electronics or telecom...
