

Power and Lighting Distribution Box Manufacturer

Article Overview

Leading manufacturers of lighting and power distribution boxes include Wieland, GEYA, J&HW Group, and several global suppliers offering certified, customizable, and smart solutions.

Key Manufacturers and Their Offerings

Wieland specializes in decentralized electrical installation solutions, offering distribution boxes suitable for power, signal, and smart building applications. Their products comply with IEC 61439 and IEC 61535 standards, providing robust performance even in harsh environments, including moisture-prone areas. Wieland emphasizes pluggable installation, energy efficiency, and flexible configurations for both new construction and renovation projects .

GEYA manufactures high-quality distribution boxes, miniature circuit breakers, DC surge protectors, and smart electricity meters. Their products are UL, CSA, TUV, and CE certified, ensuring safety and reliability. GEYA boxes are made from flame-retardant, impact-resistant ABS material and are suitable for residential solar power systems up to 3kW, with IP65 protection. They also offer customization based on client requirements, simplifying installation and improving energy efficiency .

J&HW Group provides custom power distribution boxes with rapid prototyping and in-house production of essential components. Their approach reduces reliance on third-party suppliers, ensures cost efficiency, and allows tailored solutions for specific pro...
