

Price of steel plate gaskets for distribution boxes

Article Overview

Steel plate gaskets for distribution boxes typically range from \$5 to \$50 per piece depending on size, type, and supplier.

Pricing Overview

- McMaster-Carr offers a wide selection of steel gaskets in various sizes and styles, with prices generally starting around \$5–\$20 per gasket for standard sizes, and higher for custom or specialty gaskets, with same-day or next-day delivery available .
- Amazon lists products like the Hubbell RACO 1-Gang Multi-Purpose Steel Gasket (2-pack), priced around \$10–\$15 per pack, suitable for small distribution boxes or outlet enclosures .
- KLINGER Group provides steel-reinforced gaskets, including rubber-steel and graphite-based types, which are more specialized and can range from \$20 to \$50 or more per gasket, depending on material, size, and temperature/chemical resistance requirements .
- Gasketwholesale.com offers metallic spiral wound and steel gaskets at wholesale prices, which can be cost-effective for bulk orders, with pricing varying by manufacturer and specifications .

Factors Affecting Price

- Material and Construction: Plain steel gaskets are generally cheaper, while rubber-steel or graphite-reinforced gaskets are more expensive due to enhanced sealing and durability....
