

Recommended Manufacturers of Industrial-Grade PoE Switches

Article Overview

Industrial-grade PoE switches provide reliable power and data transmission for harsh environments, supporting IP cameras, access points, and other network devices with robust management and environmental protection features.

Key Manufacturers and Offerings

E-Lins offers industrial PoE switches designed for stable power and data delivery in industrial networks. Their products support IP cameras, wireless access points, and IoT devices, with both managed and unmanaged options. Customization is available for port configurations, enclosures, and other hardware adjustments to suit specific deployment requirements. Patton provides industrial PoE switches built to withstand harsh conditions, including extended temperature ranges and rugged connectors. Their switches are available in DIN rail-mountable designs and comply with IP30 or IP67 standards. Patton switches support IEEE 802.3af and PoE+ IEEE 802.3at standards, delivering high-speed data and power over long distances while reducing installation complexity. Moxa manufactures PoE/PoE+/PoE++ switches with up to 90 W per port, offering surge protection of 4 kV per LAN port. Their industrial-grade switches include Smart PoE management features to simplify deployment and maintenance, making them suitable for high-power devices in demanding environments. PUSR provides two series of industrial PoE switches: Platinum and Black Gold. These switches feature wide-temperature operation (-40°C to 85°C), 6 kV lightning protection, flexible port configurations (5-24 ports), and support IEEE 802.3af/at standards. Managed models offer VLAN and QoS policies, while unmanag...

19 Industrial Ethernet Switch Manufacturers in 2026 | Metoree

This section provides an overview for industrial ethernet switches as well as their applications and principles. Also, please take a look

Industrial Ethernet Switches

Managed, unmanaged and Power-over-Ethernet (PoE) IP20- and IP67-rated Industrial Ethernet Switches are robust and versatile,

Industrial PoE Switches | PoE Industrial Switch

Explore industrial PoE switch solutions made in USA. Industrial PoE Ethernet switch products include the Patton FiberPlex hardened

Unmanaged Industrial Ethernet Switches | Rugged DIN Rail Switch

Unmanaged Industrial Ethernet Switches Compact DIN Rail Switches Industrial-grade Unmanaged Switches are "plug & play"

PoE Switch | Industrial Ethernet Switch Manufacturer | CTC Union

CTC Union offers a full spectrum of products, including PoE Switch, Industrial Ethernet, PoE, EN50155 and E-Mark certified

Power Over Ethernet Switches | PoE Industrial Switches | Antaira

Antaira's industrial PoE switch products are built to withstand harsh conditions such as extreme temperatures, shock and vibration,

Industrial Ethernet Switches | Phoenix Contact

Our Industrial Ethernet Switch portfolio comprises Managed and Unmanaged Switches with Gigabit, PoE, IEC 61850 certification,

Industrial Ethernet Switches | Industrial Network Switch | Perle

Rugged Industrial Ethernet Switches with PoE, 5-10 ports, 10/100/1000Base-T and fiber support. Built to withstand -40°C to 75°C,

Power over Ethernet (PoE) Industrial Ethernet Switches

PoE Industrial Ethernet Switches Compact DIN Rail PoE Switches In addition to transmitting network data, a PoE Switch has a built

Industrial PoE+ Gigabit Ethernet Switches (802.3at/af) | Westermo

The Westermo range of industrial PoE switches is designed to meet either the 802.3af standard or the 802.3at Power over Ethernet

Industrial Ethernet Switches | EtherWAN

Industrial Ethernet switches offer advanced management features with the redundancy and security elements required for essential

Industrial-Grade POE Switch | industrial network switch

An industrial PoE switch is a network device specifically designed for harsh industrial environments. Its core function is to transmit

Industrial Ethernet Switch & Managed PoE Switch | AOA Tech

AOA Tech Industrial Ethernet Switches range from industrial PoE switches, industrial managed switches, industrial unmanaged

Ethernet Switches

Moxa provides a wide range of industrial Ethernet switches that feature industrial-grade reliability, network redundancy, strengthened

Top Power-over-Ethernet (PoE) Switch Manufacturers

PROCET specializes in Power over Ethernet (PoE) solutions, offering a wide range of products including industrial-grade PoE

35 Ethernet Switch Manufacturers in 2026

35 Ethernet Switch Manufacturers in 2026 This section provides an overview for ethernet switches as well as their applications and

Industrial Ethernet Switches

Build resilient, mission-critical networks with Westermo industrial Ethernet switches. Explore managed, unmanaged & PoE switches.

Industrial PoE Switches | Ethernet PoE Switch Manufacturer | E-Lins

Industrial PoE Ethernet switches for reliable power and data delivery, with managed and unmanaged options for IP cameras, IoT
