

Recommended manufacturers of intelligent power distribution cabinets in West Asia

Article Overview

Top manufacturers supplying intelligent power distribution cabinets to West Asia include Sipolar, Gopower, Delta Electronics, Rittal, Eaton, and other global PDU leaders.

Key Manufacturers

1. Sipolar Sipolar specializes in intelligent power distribution units (PDUs), charging cabinets, and embedded USB hubs. The company offers customized solutions with professional certifications and high-quality standards. Sipolar explicitly serves West Asia, along with other global markets, and emphasizes cost-effective, reliable, and technologically advanced products suitable for industrial and commercial applications .
2. Gopower Gopower manufactures intelligent AC/DC power distribution boxes and distribution automation terminals. Their products include remote terminal units (RTU) and feeder terminal units, supporting IoT integration, remote monitoring, and fault detection. Gopower's solutions are designed for smart grid applications and industrial power distribution, making them suitable for West Asian infrastructure projects .
3. Delta Electronics Delta Electronics, headquartered in Taiwan, is a global provider of power and thermal management solutions. Their PDUs are space-saving, scalable, and energy-efficient, with strong monitoring and protection features. Delta has a broad international presence, making it a reliable option for West Asian markets .
4. Rittal Rittal, a German company, offers compact PDUs for IT racks with extensive po...
