

Single-row 18-circuit distribution box

Overview

This surface-mounted, single-row distribution board from Intratec, featuring an optional lockable IP65 enclosure with a door, is designed for the required sub-distribution and circuit protection with fuses and switching elements according to DIN 18015-2. IP65-rated PC/ABS enclosure, offering durability, impact resistance, and weather protection. Can be configured with fuse, SPD, disconnecter, or breaker for use as a PV combiner box. With 18 modular spaces housed within an IP40. The DISBOX-MA series is available with a total of 8 sizes from 8 to 54 modules. The design of the housing has been designed to fit the optional gray or transparent door perfectly into the front. Installation: 1,inside: There are din rail inside for din-rail type circuit breakers, earthbar and natural bar for cable connection.
