

Source of Italian Cable Tray Factory

Article Overview

Top Italian cable tray manufacturers include Spina Group, SITIE, Sati Italia, Zamet SPA, and FEMI-CZ, offering high-quality, customizable solutions for industrial and commercial applications.

Leading Manufacturers

Spina Group Spina Group has over 30 years of experience producing Made-in-Italy solutions, including standard and tailor-made cable trays through its Schiavetti Tekno line. Their products are UL-certified and built according to NEMA standards, with customization options to meet specific project requirements. They also produce industrial cables and explosion-proof equipment, serving diverse industrial sectors . SITIE Founded in 1945 in Ferrara, SITIE specializes in industrial installations and plant automation. Their cable tray systems are designed for robust performance in energy, petrochemical, and industrial applications, reflecting decades of expertise in instrumentation and automation . Sati Italia S.p.A Sati Italia, now part of DKC Europe, offers modular and flexible cable carrier systems suitable for energy, construction, and automation sectors. Their extensive logistics network ensures rapid delivery and support across Italy . Zamet SPA Zamet is a major Italian manufacturer of trunking and cable tray systems for both civil and industrial environments. They provide fully customizable solutions, including ladder trays, wire mesh trays, and solid-bottom trays, designed for high load capacity and corrosion resistance . FEMI-CZ FEMI-CZ specializes in high-performance metal cable trunking, producing both standard and custom solutions for large-scale industrial installations and civil projects. They focus on innovation, safety, and long-term durability, offering GRP and metal options
