

Specializing in distribution boxes and cabinets

Article Overview

Leading manufacturers provide custom, certified, and durable distribution boxes and cabinets for industrial, commercial, and residential applications.

Key Manufacturers and Capabilities

1. Mulan Group specializes in OEM sheet metal distribution boxes, offering custom industrial electrical enclosures in stainless steel, aluminum, and carbon steel. They provide IP65/NEMA 4X-rated solutions, wall-mounted, modular, explosion-proof, and outdoor-rated boxes, with full CAD design, fabrication, and DFM support . 2. E-Abel delivers tailored distribution boxes for industrial, commercial, and residential projects. They use digital twin technology for 3D modeling, ensuring precise layouts, material selection, and assembly. Their enclosures enhance safety, performance, and integration flexibility . 3. Saipwell manufactures waterproof metal enclosures, cabinets, and boxes with NEMA and IP ratings (IP63–IP68, NEMA 3S–6P). They offer automated production, custom sizes, materials, and finishes, with rigorous testing for EMI/RFI shielding, fire resistance, and environmental durability . 4. Dalsin Industries provides medium to high-volume custom NEMA metal enclosures, cabinets, and boxes. They fabricate from stainless steel, carbon steel, and aluminum, using automated punching, bending, CNC forming, welding, and powder coating. Their services include design optimization and rapid production . 5. ETA Enclosures focuses on power distribution enclosures for switchgear, transformers, and control panels. They offer NEMA and UL-rated protection, modular configurations, thermal management, and secure access for industrial and utility applications . 6. Schneider...
