

Tibox socket distribution box

Article Overview

Tibox socket distribution boxes are versatile electrical enclosures designed for industrial and commercial applications, offering various sizes, IP protection ratings, and mounting options.

Overview

Tibox distribution boxes are manufactured by Zhejiang Tianqi Electric Co., Ltd., a company specializing in electrical enclosures, metal cabinets, and network cabinets for global markets (). These boxes are designed to safely house electrical sockets, switches, and wiring, providing protection against dust, water, and mechanical impact.

Types and Specifications

Tibox offers a wide range of socket distribution boxes, including:

- Wall-mount distribution boxes: Available in dimensions such as 250 x 300 x 150 mm, 400 x 350 x 250 mm, 500 x 500 x 300 mm, and 700 x 500 x 300 mm, with IP66 protection, ensuring dust-tight and water-resistant performance ().
- Switch boxes: Smaller enclosures like 280 x 190 x 130 mm with IP67 rating, made from thick PVC material for insulation and durability ().
- Portable plastic industrial socket boxes: Designed for mobility and temporary installations, typically packaged in cartons for easy transport (). All wall-mount boxes include a mounting plate, simplifying installation and ensuring secure attachment to walls or panels ()....
