

# Top 10 Asian Cable Management Frame Manufacturers

## Article Overview

The leading Asian cable management frame manufacturers include Snake Tray, Enduro, voestalpine Metsec, Niedax MonoSystems, Belden, Siltec, and other specialized APAC companies.

### Leading Manufacturers

- Snake Tray - Offers hand-bendable cable trays, high-capacity trays, and modular trays suitable for access floors and industrial applications, emphasizing flexibility and customization .
- Enduro - Specializes in industrial cable and wire management systems, including fiberglass cable trays, struts, and instrument stands designed for harsh environments .
- voestalpine Metsec Cable Management - Produces cable containment and support systems such as cable ladders, trays, trunking, and metal framing systems for mechanical and electrical services .
- Niedax MonoSystems - Provides aluminum ladder trays, wire mesh basket trays, trough trays, surface raceways, power poles, and j-hooks, catering to industrial and commercial installations .
- Belden - Known for a wide range of cables and cable management solutions, including industrial, broadcast, AV, and optical fiber systems, often integrated with racks and patch panels .
- Siltec - Offers flexible and environmentally-friendly cable routing systems, including stainless steel and galvanized cable trays suitable for indoor and outdoor applications
