

Uganda Galvanized Cable Tray Manufacturers

Article Overview

Leading manufacturers of galvanized cable trays in Uganda include UG Cable, Brilltech Engineers Pvt. Ltd., and Build Matt Ltd., offering high-quality, corrosion-resistant solutions for industrial and commercial projects.

Key Manufacturers

UG Cable provides high-strength cable trays suitable for both indoor and outdoor installations. Their trays are made from pre-galvanized or hot-dip galvanized steel according to AS4680:2006 standards, ensuring durability and corrosion resistance. They offer standard 3m lengths, with 6m lengths available on request, and can provide custom solutions for high-capacity or specialized installations .

Brilltech Engineers Pvt. Ltd. is a well-established manufacturer in Uganda, founded in 2007. They produce a wide range of galvanized cable trays, including standard and customized designs, meeting ISO-certified quality standards. Their products are suitable for various industrial applications, and they also serve as exporters and suppliers within the region .

Build Matt Ltd. specializes in hot-dip galvanized steel cable trays, ideal for Uganda's humid tropical environment. They manufacture ladder-style, wire mesh, and flexible cable trays with high load-bearing capacity and excellent ventilation. Build Matt offers custom tray widths, in-house manufacturing for faster delivery, and installation services across Uganda and neighboring countries
