

Vietnam Fiber Optic Cable Line Maintenance Company

Article Overview

TBD Group, Profiber Vietnam, and Viet Fiber are among the leading companies in Vietnam offering fiber optic cable installation, maintenance, and related services.

Key Companies for Fiber Optic Maintenance in Vietnam

1. TBD Group TBD Group specializes in the installation and maintenance of all types of fiber optic cables, covering both indoor and outside plant (OSP) networks. They provide design, installation, and ongoing support for fiber optic infrastructure, making them a reliable choice for maintenance projects in Hanoi and Ho Chi Minh City . 2. Profiber Vietnam Founded in 2019 and headquartered in Vinh Phuc Province, Profiber Vietnam manufactures fiber optic cables, optical jumpers, and connection devices. They also offer technical support and solutions for network optimization, including WDM technology for 5G fronthaul, which can enhance maintenance and performance of fiber networks . 3. Viet Fiber Viet Fiber is a leading manufacturer of high-performance fiber optic and copper structured cabling solutions. While primarily focused on manufacturing, their expertise in end-to-end production and data center connectivity solutions can support maintenance projects requiring high-quality components and technical guidance . 4. Other Notable Providers Several other companies in Vietnam provide fiber optic services, including FPT Telecom International, CMC Telecom, Quang Lam Technology, and Song Nhan Technology. These companies offer a range of services from international connectivity to customized fiber optic solutions, which can be relevant for large-scale maintenance and network upgrades
