

Where can I buy fiber optic reels in Armenia

Article Overview

Yes, fiber optic reels are available for purchase in Armenia through local suppliers and international vendors with worldwide shipping.

Local Suppliers in Armenia

- Planet Fiber – Located at 3 Hakob Hakobyan Street, Yerevan, Planet Fiber offers a wide range of telecom solutions, including fiber optic cables and related equipment. They may provide reels or can advise on compatible cable management solutions (Phone: 043 997755) .
- Datacom – Situated at Komitas Ave 1, Yerevan, Datacom specializes in structured cabling systems, fiber optic networks, and cable management solutions. They offer installation and supply of fiber optic cabling, including SC, ST, LC, FC, and HT-RJ terminations, as well as cable trays and cord reels suitable for professional use (Phone: 055 602702) .
- Redinet CJSC – Provides turn-key fiber optic solutions across Armenia, including fiber optic cables, components, and consumables. Their warehouse maintains a permanent stock of fiber optic materials, which may include reels for deployment and installation projects .
- Aleppo Optics – A full-service optical store in Yerevan with a selection of fiber optic products, including reels. They have a local presence and can provide guidance on suitable reels for different applications .
- Melinet – Offers fiber optic network design and installation services, including structured cabling and fiber optic line deployment. They can supply reels as part of their installation packages
