

Where is Huijue Optical Cable located

Article Overview

Huijue Optical Cable is headquartered in Shanghai, China, with major production facilities in Jiangsu Province.

Headquarters

Huijue Optical Cable, officially known as Shanghai Huijue Network Communication Equipment Co., Ltd, has its headquarters in Shanghai, China. The headquarters houses the R&D center, technical center, prototype department, and sales offices, covering an area of over 10,000 to 18,000 square meters depending on the source . This location serves as the central hub for innovation, product design, and corporate management.

Production Bases

The company operates large-scale production facilities in Jiangsu Province, including Nantong and Hai'an, with factory areas ranging from 35,000 to 50,000 square meters . These facilities focus on metal precision production, assembly of cabinets, optical fiber products, and patch cords, supporting both domestic and international distribution.

Additional Facilities

Huijue also maintains research and development centers and production bases in Shanghai Fengpu and Lingang Free Trade Zone, further expanding its manufacturing and technical capabilities . The combined infrastructure ensures rapid production, q...
