

Which brand of trapezoidal cable trays is the best

Article Overview

Top recommended trapezoidal cable tray brands include Atkore International (Cope Cable Tray), Thomas & Betts (ABB Group), Eaton B-Line, and Jiangsu Oude Electric, known for durability, corrosion resistance, and compliance with international standards.

Leading Brands and Their Features

Atkore International (Cope Cable Tray) – A North American leader offering a wide range of heavy-duty cable trays suitable for industrial and data center applications. Their products are known for robust construction, compliance with UL, NEMA, and CSA standards, and adaptability to complex installations . Thomas & Betts (ABB Group) – Provides durable and easy-to-install cable trays for utility, commercial, and industrial sectors. Their trays are engineered for long-term performance and meet ANSI and IEC standards . Eaton B-Line – Offers an extensive selection of cable trays and support systems designed for heavy-duty and large-scale projects. Their solutions are recognized for structural integrity and versatility in various environmental conditions . Jiangsu Oude Electric Co., Ltd. – A Chinese manufacturer specializing in flame-retardant, anti-corrosion, and stainless steel cable trays. Their FP-series trays are made from 304 stainless steel with electrophoretic coating, providing excellent resistance to chemicals and high temperatures, suitable for petrochemical and industrial plants . European Brands – For high-quality, compliance-focused options, consider Niedax Group (Germany), Spina Group (Italy), and Legrand Cablofil (France). These brands emphasize sustainability, easy installation, and adh...
