

Which company makes the best smart distribution boxes in Afghanistan

Article Overview

Baheer Group and Kabul Packages are among the leading providers of high-quality packaging solutions in Afghanistan, offering durable and technologically advanced distribution boxes.

Baheer Group

Baheer Group is one of Afghanistan's top manufacturers of corrugated and custom packaging solutions, serving over 2.5 million clients across sectors like food, medicine, and agriculture . They offer 3-ply, 5-ply, and 7-ply corrugated boxes, suitable for light to heavy goods, ensuring strong protection during transit. Their modern production lines, experienced specialists, and high-volume capacity (over 10 million boxes per month) make them a reliable choice for businesses seeking durable and customizable smart distribution boxes . Major brands like Pepsi, Coca-Cola, and Alokozay trust Baheer Group for consistent quality and innovation.

Kabul Packages

Kabul Packages focuses on advanced packaging technology and machinery, providing high-quality corrugated rolls and boxes tailored to client needs . Their expertise spans multiple sectors, including food, beverage, household, and beauty products. They emphasize customized solutions that enhance product protection and presentation, making them a strong option for businesses looking for innovative and smart packaging solutions
