

Wholesale price for 2-core fiber optic cold splices

Article Overview

Wholesale 2-core fiber optic cold splices typically start around \$2.40 per unit, depending on type, brand, and order quantity.

Pricing Overview

The cost of 2-core fiber optic cold splices varies based on whether you choose mechanical or fusion splices, the brand, and the supplier. For mechanical splices, wholesale prices can start as low as \$2.42 per splice for bulk orders, making them ideal for distributors and large-scale installations (Alibaba) . Fusion splices, which require specialized equipment, generally cost more due to their lower signal loss and permanent connection quality.

Wholesale Sourcing Options

- Alibaba: Offers a wide range of mechanical splices for bulk purchase, with prices starting at \$2.42 per unit .
- DHgate: Provides competitive bulk pricing directly from Chinese suppliers, suitable for distributors looking for larger quantities .
- AliExpress: Features both mechanical and fusion splices, with options for small to medium wholesale orders, often including kits and installation accessories .
- Specialty suppliers: Companies like 3M, Corning, and AMP offer high-quality mechanical splices (Fibrolk, Camsplice, CoreLink) with reliable performance, though prices may be higher than generic bulk options
