

Zambian manufacturers selling spectrometers

Article Overview

Key Zambian manufacturers and suppliers of spectrometers include Aditya Systems (LADA), LabSpark Zambia, and Labotronics, offering a range of laboratory and industrial spectrometry solutions.

Aditya Systems (LADA)

Aditya Systems, operating under the LADA brand, is recognized as a leading manufacturer of spectrometers in Zambia. They provide customizable spectrometer solutions using high-grade materials and advanced technology, ensuring reliability and precision. Their product range is suitable for laboratory, industrial, and research applications. Aditya Systems also offers on-time delivery and 24/7 customer support, making them a trusted choice for both domestic and export clients in Zambia (Aditya Systems) .

LabSpark Zambia

LabSpark Zambia is a Zambian-owned company supplying premium laboratory equipment, including spectrometers, to sectors such as healthcare, mining, and research. They focus on precision, reliability, and scientific excellence, offering instruments for mineral analysis, geological testing, and advanced diagnostic applications. LabSpark serves clients across Africa, providing both equipment and consumables for laboratory operations (LabSpark Zambia)
