

Zambian quote for EPON equipment 200G

Article Overview

EPON equipment with 200G capacity can be sourced in Zambia through local distributors and online platforms, with pricing dependent on specifications, warranty, and supplier.

Local Supplier Options

- Desertcart Zambia offers EPON/GPON optical network units like the Opti Vision XPON ONU, which supports dual GPON and EPON standards, multiple LAN ports, and comes with a 3-year warranty . While this specific model supports speeds up to 300 Mbps, it demonstrates the availability of EPON-compatible devices in Zambia.
- ZamForce Limited and other industrial equipment suppliers in Zambia may provide high-performance networking and telecommunications equipment. They offer technical support and service across Zambia, which is essential for deploying high-capacity EPON systems .
- ECMining Limited and Eagle Equipment are Zambian companies with experience in industrial and mining equipment supply. While primarily focused on heavy machinery, they may assist in sourcing specialized networking equipment through their procurement networks .

Steps to Obtain a Quote

- Contact suppliers directly: Reach out to Desertcart Zambia for online pricing and delivery options for EPON devices. For industrial-grade 200G EPON equipment, contact ZamForce or ECM for a formal quotation.
- Specify requirements: Include desired throughput (200G), number of ports, redundancy, and warranty requirements....
